A REPORT ON NATIONAL SPACE DAY-2024

OBJECTIVES:

1. Celebrate India's space achievements.
2. Inspire future generations.
3. Promote awareness.
4. Recognize the role of space exploration.
5. Generate national pride.

Detailed Report:

India's first National Space day will be celebrated on August 23, 2024, to commemorate the one -year anniversary of the chandrayaan- 3 mission's successful lunar landing. According to statement by the Honorable Prime minister had announced 23rd August of every year to be celebrated as "**NATIONAL SPACE DAY**". The day will be marked by a month-long campaign to showcase India's space achievements and inspire the youth towards space technology and it's applications by organizing events. The theme for the day is "Touching lives while Touching the Moon: India's Space saga".

On behalf of Science forum we were celebrated National space day in our Physics department on 23rd August 2024 at 10.00 AM. The Program was inaugurated by the Principal Prof. K.B.Billava.

On this occasion, Kum.Nagalaxmi.S.Dhotre, lecturer in Physics Department addressed the gathering and Dr.Somashekar M N dept.of chemistry, explained in detail about chadrayaan -3 with video clip. Followed by prof. K.B. Billava, Principal of S.S.Margol college of Arts, Science and Commerce has marked by the Presidential address on the occasion of Space day. He explained importance of Space achievements and benefits of space exploration. On the occasion of 'National Space day' there was essay writing competition for the all the Degree students. Essay topic is 'National space day' Students actively participated and got prize in this competition.

All faculty members are witnessed the Occasion. The program was concluded with vote of thanks. We would like to thank management, Principal, HODs and Faculty members for their support.
