Dear Sir / Madam,

**Tata Building India School Essay Competition 2024 – 25**

The Tata Building India School Essay Competition is one of the key initiatives undertaken by the Tata Group to motivate the youth of India and instill the value of nation building amongst them.

Now in its 17th edition, this is India's largest and most prestigious school essay competition covering 500+ cities across 13 languages.

The essay competition is a two-phase activity across all the participating schools in the country for students of classes 6<sup>th</sup> – 12<sup>th</sup>.

The first phase consists of exposing students to Tata-linked films to inspire young minds. Following this, students are asked to write an essay on a given topic of national significance.

The theme for this year's essay competition will be **SMART INDIA**.

The essay written only once by students, is evaluated at the school level and thereafter, the winning school essays are evaluated by judges drawn from independent academic and literary circles for the city and national level, in each language. There are prizes to be won at each of the three levels.

More information about the competition is available at [www.tatabuildingindia.com](http://www.tatabuildingindia.com).

Schools can register for the competition at <https://iur.ls/TBI25>. Registration is free.

**TCS iON** – A division of Tata Consultancy Services, are our on-ground partners and have been entrusted with the task of conducting this activity at schools. Their team will get in touch with you once your school registers for the competition.

We look forward to your support and co-operation in fostering strong positive values of nation building amongst the citizens of tomorrow through this unique competition.

Thanking you and with regards,

Adrian Terron
